

Bag Insert, Pocket Guide Advertising, Exhibit Hall Passport Program, and Billboard Advertising, Hotel Room Drop

Enhance your visibility and drive attendees to your booth at the 2024 ASPHO Conference.

Statistics show that attendees come to a conference with a set agenda of exhibits to visit. Make this your most successful conference by inviting conference attendees to your booth through the use of a bag insert, the passport program, or advertisement in the conference pocket guide and mobile app...or all four. The pocket guide and mobile app are provided to all 1,100 attendees at registration and include the meeting schedule and a complete list of the educational sessions and descriptions, the poster presentations, and the exhibitors. ASPHO conference attendees refer to the pocket guide and mobile app often, not only onsite at the conference but also throughout the year, which gives your ad repeated exposure. The mobile app advertising form is found separately.
